Subject: MgH1-Harvey Response--update on planned superfund site visits
Date: Friday, September 1, 2017 8:31:22 AM

Christine, I wanted to let you know that we have identified 2 Texas and 7 Louisiana sites that we plan to visit. We do not need logistics support for these. I do not have a definite travel date, and as soon as we have that pinned down I will update you.

I will mention this today at the 900am.

thanks

Sorry I missed your call yesterday. I would like to talk this morning on logistical support for the NPL site visits. Katrina Coltrain is our lead RPM for this effort and is copied on this email. Her direct line is 214-665-8143. We will be down at the 9:00am briefing this morning, or if you are in, let us know and we can meet earlier. Thanks.
